

VE800

HDMI Extender

The VE800 HDMI Extender extends your HDMI display up to 60 m away from your HDMI source using two Cat 5e or Cat 6 cables. It is equipped with HDMI (high definition multimedia interface) connectors and is capable of supporting DVI (digital visual interface) equipment when used with a HDMI-to-DVI adapter, providing greater flexibility and installation options when integrating several home theater components.

Setup

Features

- Extends the distance between HDMI source and HDMI display
- Uses Cat 5e/6 cable to achieve long distance transmission
- 8 segment equalization adjustment switch
- Extend 1080p by 40m; extend 1080i (HDTV) by 60m
- Superior video quality – 1920 x 1200, up to 1080p
- Supports 12-bit Deep Color for HDMI formats
- DDC compatible
- HDMI 1.3b compliant
- HDCP 1.1 compliant
- Compatible with all ATEN HDMI switches and splitters
